

SPiRICOM

Spiricom's *Hammer of Witches* EP glimpses the lengths to which the zealous will go in the pursuit of righteousness. Three companion pieces evoke how men wielded pain, fire, and unyielding conviction in the pursuit of holy purification. Competing spiritual forces create a cascade of textures. Guitars lull and sear a redemptive path through illuminating and angelic synths. Drums beat out a shamanistic trance while a percussive march gathers on the borders.

MARC CODY

Lead Guitar

STEVEN K. SMITH

Keyboards, drums, bass, samples, and synthesized guitar
